

CONTRACT BETWEEN WATER SERVICES LLC AND THE CITY OF CALAMUS
(CONITUATION OF THE CURRENT CONTRACT DATED 2 December 2018 & 27 March 2019 & 2024)

THE FOLLOWING SERVICES ARE PROVIDED

- ...Will oversee the testing and water flows as dictated by the city's water permit.
-All cities monthly operating reports will be sent to the DNR. (MOR,s)
- ...Will continue to meet with the DNR for Water and Wastewater Surveys.
- ...Will continue to fill out all applications for Water and Wastewater renewals
- ...Will continue filling out annual Water Usage report
- ...Will continue to fill out the annual Consumer Confidence Report. (CCR)
- ...Will continue to monitor that all samples are taken on a timely basis.
- ...Will assure that there is a Bacteria Sample Plan and a Lead & Copper Plan in place.

Water Services LLC will continue to furnish a Water, Wastewater & Distribution Certificate to the city to operate under.

Water Services LLC is an always has been covered by a 2 million dollar Liability Insurance policy, which is dictated by Iowa State law as a Affidavit Operator (Attached).

All Operator licenses(renewals) and insurance policy are paid for by our company. As well I am furnishing a copy of the Iowa 2023 Biennial Report for my company.

In addition, we will do our best to help prepare Mike Lacey for his exams, by giving him advice or past experiences after 26 years of working in this field and give tips from the DNR. Licenses are a series of 3 and honestly I have known a few operators that were unable to pass them and had to have the DNR come to their towns and work with them....

In addition our company will perform duties as assigned for weekend testing until further notice at the same rate of pay...this duty will be in accordance with Mikes needs.

Cities part:

All postage and miles will b reimbursed by the city.
